NAMJA Gyoza stadium Gyoza is one of Japan's most popular food. It is familiar as a annual news that which city leads Japan in the consumption of Gyoza. You may think that there isn't much of a difference in their appearance between those but all the shop has a distinctive feature in their Gyoza! You might be a expert of gyoza if you distinguish the deference! Don't miss a chance!

*Products and prices may change. *All prices include consumption tax.

Have a good time in NAMJATOWN!

MAP 1 Explosive mosquito killing mission! (BAKURETSU! KATORI DAISAKUSEN)

Ride in the boats TONPEI and TONKO on a mission to shoot down Amazon mosquitoes! In this exhilarating shooting ride attraction, the legendary man, BAKURETSU JOE, has been called in to get rid of the Amazon mosquitoes that have evolved into ferocious creatures. Have BAKURETSU JOE teach you his secret "exploding shot" to take on the Amazon mosquitoes.

80NAMJA (800yen) Pass

Age restriction: None.

Height restriction: Must be 110 cm or taller.

⑥ Mosquito coil and Pig-shaped holders

"BAKURETSU! KATORI DAISAKUSEN" comes from the motif of Japanese seasonal tradition. The ride is in the shape of the "pig-shaped holder" which is used to contain a mosquito coil. The smoke and smell giving out from the pig's mouth reminds us "summer in Japan".
